

## *SAFE JOURNEY: LIFE SAVING LESSONS FOR TODAY'S TEEN DRIVERS*

SPONSORED BY  
**SAN DIEGO UNIFIED SCHOOL DISTRICT  
POLICE DEPARTMENT**

According to the Insurance Institute for Highway Safety, the largest number of teen involved car crashes occur in the summer months of June, July and August. Because the San Diego Unified School District Police Department wants all teen drivers to be safe this summer, we invite you to attend a safe driving program for 15-19 year-old teen drivers and soon-to-be drivers and their parents. The program addresses the primary causes of accidents and what teen drivers can do to reduce their chances of being involved in serious and sometimes fatal crashes.

**MONDAY, JUNE 11, 2012  
6:00 to 7:30 pm**

**BALLARD PARENT CENTER  
2375 Congress Street (Old Town)  
San Diego CA 92110**

**At least one parent must attend with the teen. There is no cost to attend the program.**

*Presenters of "Safe Journey" include Rueben Littlejohn, Interim Chief of San Diego Unified School District Police Department, and Gene Roberts, the creator of "Safe Journey". Both presenters have experience in emergency and high performance driving and offer the program for the sole purpose of saving lives.*
