

POINT LOMA HIGH SCHOOL COLLEGE NIGHT 2012

CONSIDERING COLLEGES OUT-OF-STATE: “CREATING OPTIONS IN YOUR COLLEGE SEARCH” Presentation and College Fair

Meet representatives from Colleges & Universities
from all over the country!

Point Loma High is proud to present this special program for *families wanting to know the benefits of considering* colleges out-of-state. This will be the focus of the event, and it will feature representatives from different universities. We hope to help broaden your college search by providing useful information about considering colleges outside of California.

Learn the benefits of attending college out-of-state:

Increased chances for admission

The opportunity to graduate on time

The chance to learn more about yourself

Learning how to adapt to a new setting

Lower tuition cost options

Greater scholarship opportunities/WUE

Real world experience & networking

Finding the perfect “fit” school
