Meeting called to order at 6:06 p.m.

**Introductions and General Business - Kevin O'Beirne:**

- Executive board met during spring break in an informal meeting to brainstorm and chat about objectives and officers transition. One thing discussed is over the last few years the gift and grants were given out twice a year and it is suggested we allocate the money just once a year with requests in the fall and allocated in January. We would still allocate the same amount of money. Bobbie will ask staff what date is a good deadline to make requests. This will not compete with the AAA funding. A proposal will be written.
- Social Party will be held around first week of June.

**VOTE:** Approve Meeting Minutes of 3/11/13 Meeting with the correction that the district website is not better than PLHS website but has just improved.

Motion to Approve – Ian Law

Second to Motion to Approve – Lucy Devito

Vote – all in favor, none opposed, none abstained

**V. P. of Programs – Renatte Adler:**

- This Friday 4/12/13/is the deadline for department for AAA requests. Already heard from three departments. Much of the money was spend in the last two weeks in February but all was spent.
- Trying to get more publicity out on what Pointers Association does. E-blast is a good vehicle but there needs more short articles written.
- Senior activities are going well.
